

# MAKE JON YOUR INTERIM COO

Get back to being CEO!

Is it time to rediscover your passion for your business?

Is it time to start working ON your business  
instead of IN your business?

Are you growth-minded, but can't seem to grow  
because you are stuck?

**Then it's time for an Interim COO!**

As your chief operating officer, I will implement, integrate and manage the company's day-to-day strategies, vision and operations, freeing you to focus on the big picture.

Partnering with your leadership team, I will roll up my sleeves and personally spend time within your organization to achieve the ideas everyone's just been talking about.

**I will implement systems to:**

- Work with all levels on the day-to-day stuff you shouldn't be doing
- Reset your leadership skills
- Rebrand your image
- Get the right people in the right seats doing the right things
- Help your sales team grow their bottom lines
- Refresh and reignite your company culture
- Grow your company big. Very Big!

**Together we'll accelerate your growth strategy, evolve your culture and take your business to the next level.**
