### CLASS SYLLABUS

#### Three 30-Minute One-On-One Calls with Jon

Kick off each month with a 30-minute impactful business planning call to discuss strategies for having the biggest month ever!

#### Friday Weekly Sales Workout

Each Friday, a new set of daily tasks to pump up your pipeline will arrive in your email inbox. This allows you plenty of time to update your calendar for the coming week. You'll also get a talking point or statement to increase your confidence on the phone or in person. Everything is attainable, bite-sized and designed to keep you consistent — the ultimate key to sales growth.

#### Friday Weekly Activity Tracking Workbook

Each Friday, you will receive your Weekly Activity Tracking Workbook, which makes it easy for you to track and grow your pipeline and business. Measure your activity and stay consistent by tracking where you are going and where you've been. Learn to prioritize, track and understand your conversions so you can grow your pipeline and business.

#### Monthly Think Big Sales Newsletter

Each month you'll receive Jon's 5 Tips to Ignite Your Pipeline and Business along with Jon's favorite podcast, book, quote, product and riddle of the month sent directly to your inbox. An engaging, motivating read that brings results.

#### Bi-Monthly Wednesday Sales Workshops

A three-minute video workshop and custom worksheet created by Jon provides relevant ways for you to immediately grow your pipeline and business. In subsequent weeks, Jon sends follow-up emails to make sure you're implementing these time-proven strategies.

#### Inspiring Sunday Sales Starter

Mindset is everything. Get pumped for the week ahead with an empowering and encouraging story or message sent to your inbox every Sunday. Start your week inspired!
