

The Jon Dwoskin Promise

- I hold everything confidential and do not share my client roster with anyone.
- I return all emails, texts and calls as soon as possible the same day. I don't have my cell phone at meetings, but will get back to you between client meetings -- and always, without exception, by end of day.
- You will always feel like my only client.
- I have no contracts. My bookkeeper will send you an invoice the first of each month for the previous month. My clients pay upon receipt.
- If at any time you don't see the value, please let me know and we can fix it -- or stop working together.
- All quick questions are no charge. Feel free to contact me when you have a distracting thought that we can defuse. I am there when you need me.
